Parochial Vision The Future Of The English Parish - nick spencer

Parochial Vision The Future Of The English Parish - Parochial vision the future of the English parish Nick Spencer on Amazon.com free shipping on qualifying offers This book examines the past and present of the English parish system and proposes a new way of structuring the church in England rooted in the Anglo-Saxon world. The English parish is in a state of crisis, ideally suited to the static agricultural hierarchical society in which it developed. It has become a severe impediment to the church’s work today.

Parochial Vision The Future Of The English Parish - nor is the parochial system what he claims it to be one size one vicar per one parish. I agree that that is no longer viable but the parochial system isn’t to be confused with that particular manifestation of it. The reason the parochial system has survived over so many centuries is its flexibility.
